Contact Phone: (541) 893-6115
Contact Fax:
Contact Email: eagle@eagletelephone.com

Filing Agent

Is this report being filed by an agent on behalf of a manufacturer or service provider? No

Product Labeling

Do all hearing aid-compatible handsets include labeling? Yes

Explain:

Do all hearing aid-compatible handsets that were tested under ANSI C63.19-2007, and that are capable of voice

communication over any air interface or frequency band that does not have hearing aid compatibility technical standards under ANSI C63.19-2007, include the required language disclosing that the handset has not been rated for hearing aid compatibility with respect to such operation?

N/A

Explain:

Do all hearing aid-compatible handsets that were certified only under ANSI C63.19-2007, but that the manufacturer also tested and found not to meet hearing aid compatibility requirements under ANSI C63.19-2011 for one or more operations that are not covered under ANSI C63.19-2007, include language informing users by clear and effective means that the handset does not meet the relevant rating or ratings with respect to such operation(s)?

N/A

Explain:

Do all handsets that are capable of use for Voice over LTE, and that were certified for inductive coupling capability under ANSI C63.19-2011 without being tested for inductive coupling capability over VoLTE, include language disclosing that they were not tested with respect to this operation?

N/A

Explain:

Do all handsets that meet the criteria for an M3 rating by allowing the user to reduce the maximum power for GSM operation in the 1900 MHz band include the required disclosure?

Explain:

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? Service provider websites must include the levels of functionality that the service provider has defined, the level that each hearing aid-compatible model falls under, and an explanation of how the functionality of the handsets varies at the different levels.

Yes

Website address: www.eagletelephone.com

Explain:

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: We are a very small company. When we advertise in the local paper we do our best to mention that we offer hearing aid compatible handsets. In fact, we don't offer any handsets that aren't hearing aid compatible in some capacity. Our company personnel have been trained regarding HAC ratings such that if the question were to arise we would be able to provide the customer with a HAC handset.

Methodology for Functionality Levels

We have a 1-4 rating system for functionality. 1: \$75 to \$150 price range, simple flip phone, vibrate, speaker phone. 2: \$150-\$200 price range. M3 rated, vibrate, speaker phone, camera. 3: \$100-\$200 price range, M3/M4 rated (or better) vibrate, speaker phone, camera, internet capability, etc.

4: \$200-\$400, T3/T4 rated. Heart rate monitor, large megapixel camera, 16GB or more of memory, internet capability, etc.

All phone prices are negotiable depending on contract signed, sales, etc.

Report Remarks

Eagle Telephone System, INC dba Snake River PCS filed this report late due to confusion. I thought the due date was Jan 31st, but that was the due date for the FCC form 555. I had the report due dates swapped.

You have reported the following handset model summary information.

Total number of handsets offered: 11

Air Interface	Fully Hearing Aid Compatible		Acoustic Coupling Compatible Only		Non-Compliant Handsets		Total by Air Interface
	Number	Percent	Number	Percent	Number	Percent	
CDMA	10	91%	1	9%			11

Handset 1: Kyocera e4510 DuraPro 2 XA

Handset Maker

Kyocera

Handset Model Name

e4510 DuraPro 2 XA

FCC ID

V65E4520

Air Interfaces/Frequency Bands

800 MHz CDMA

1900 MHz CDMA

Dates

This handset model was offered from: 02/16 to 12/16

Ratings

M-Rating: M4

T-Rating: T4

Did this handset meet the criteria for an M3 rating for operations over GSM at 1900 MHz by enabling the user optionally to reduce the maximum power at which the handset will operate by no more than 2.5 decibels, except for emergency calls to 911?

Functionality Level

This is our update to the Motorola Quantico. Durable flip phone, water resistant, large screen and numbers. Good phone for outdoor workers/ranchers
